OUR SAFARI GUIDELINES AND PROTOCOLS

1.

FACE MASK WEARING

All Guests on Safari are required to be on a mask while on safari with Cheetah Safaris. We provide Masks that are approved by the government of Kenya Tanzania and Uganda. Ensure your Mask is On all times.

2.

SOCIAL DISTANCING

We strictly forllow the social distancing guidelines. We ensure each guests on safari is 1.5 meters apart. All accommodation we partner with, are all observing the same guidelines.

3.

WASH HANDS REGULARY

Its recommended to wash your hand frequently with any detergent or soap. This helps in keeping your hands and your health safe especially if you have interacted with people, eg Dining Area

4.

SANITIZING YOUR HANDS

Sanitisations will happen before boarding our jeeps, or any hotel or camp. It is therefore recommended to sanitise your hands when in public places and interacting with people. Eg Dining Area

5.

FUMIGATION OF OUR 4X4 VEHICLES

Our Vehicles will be fumigated before and after safari. Door Handles will be sanitised, seats will be fumigated and our gusests wont sit next to the Safari Guide while in the Vehicle

6.

TEMPERATURE CHECKS

Everyone is subjected to Mandatory Temperature tests before, while and after Safari.

7.

GUIDE HEALTH STANDARDS

All our Safari guides are trained on how to follow the Covid 19 guidelines and how to handle a case once its confirmed. Our Guides are quiped with personal sanitisers, gloves, facemasks and require social distance while seated in the car.

8.

DINING GUIDELINES

Most of the safari properties we work with, have set their guidelines that should be followed to the later.

9.

SEATING IN OUR VEHICLES

Our Jeeps will carry a maximum of 4 people on a private safari. There will be no group joining safaris. In cases of more than 4 people, an extra jeep will be availed at a cost.

10.

NO STOP OVERS

While on Safari, Cheetah Safaris will ensure you have hot lunch, cold drinks and WIFI connections where applicable. Stop overs will only apply when call to visit the washrooms comes. We have designated places where there is minimal human interactions.
